B.ED IN EDUCATION PROGRAM

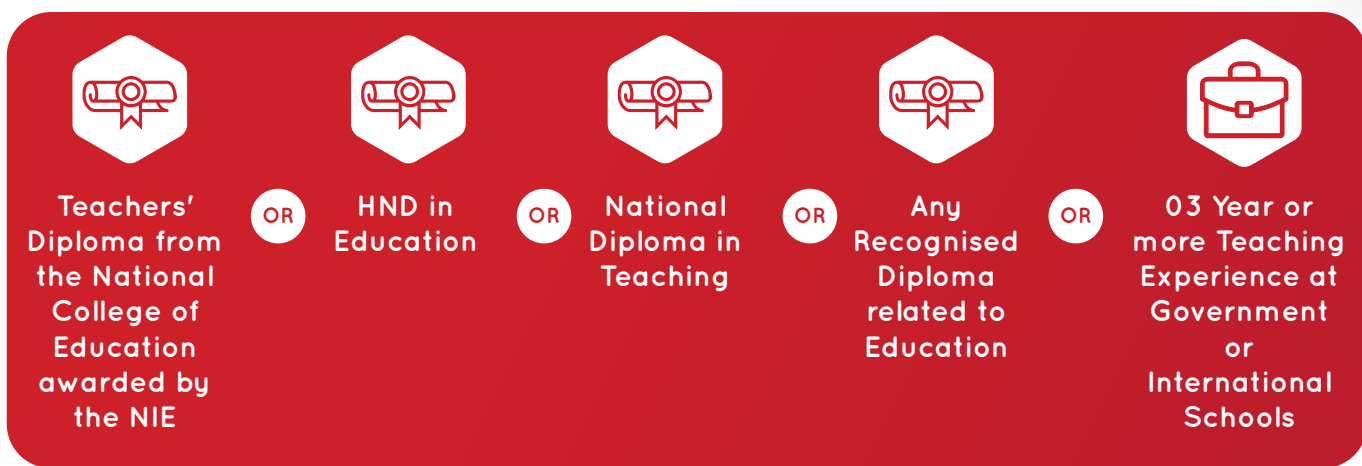

The B.Ed in Education program is awarded by the IIC University of Technology, Cambodia, a U.G.C. Sri Lanka recognised university and is specially designed for professionals in the Education Sector. Since the program is taught in an assignment-based method coupled with a mini-thesis, there are no examinations. Students who take this course will have access to world-class lecture panels, lively and pleasant study facilities, convenient payment plans, and the assurance that their studies will be completed on time.

Affiliated University: IIC University of Technology, Cambodia
recognised by: U.G.C. Sri Lanka, IAU (International Associations of Universities)
